

[STAGING QA] Acceptable Use Policy

Version 9001

Effective June 25, 2026

STAGING TEST ONLY - this document exists solely to test the PropatyHub legal-acceptance workflow and must not be used as production legal terms.

[STAGING QA] Acceptable Use Policy

This nonproduction document exists only so QA can verify acceptance of a required acceptable-use audience. It does not define production conduct rules, enforcement rights, or customer duties.

Testers should confirm the text is readable and that acceptance is explicit in staging only.
